

Dear Reader,

We are pleased to inform you that, **SAGE Catalyst Core Collection e-Textbooks Database** will be accessible on a trial base until **15 March 2026**.

**Access URL:** <https://resolver.vitalsource.com>

On first access users will see the login screen where they will be able to choose between:

- 1) Access with a Bookshelf account that they must create.
- 2) Access without a Bookshelf account with limited functionalities.

**The Sage Catalyst** provides unlimited, university-wide access to more than 800 premium social science most popular e-Textbooks with full curriculum coverage. All students can access the textbooks simultaneously without any user or access restrictions. The collection includes SAGE textbooks across a wide range of disciplines, including **Business, International Relations, Psychology, Communication Studies, Health Management, Education**, and many more.

#### **Advantages of using Sage Catalyst**

- Provides equitable online access to premium Sage textbooks, removing barriers to learning
- Supports inclusive access with unlimited concurrency, ensuring all students can access the content with no risk of turnaways
- Designed with accessibility in mind to match all learning needs, allowing all students to participate and thrive

- Promotes a flexible and personalised learning experience, helping students to pace their learning when and where they want
- Creates a dynamic learning environment, increasing student engagement and satisfaction
- Insights into student behaviour via usage reports help make improvements that have the greatest impact
